

Bangkok Bus Shedules

Bangkok is serviced by several main long distance bus terminals. Mo Chit, in the North, is the largest and busiest since it services Northern and Northeastern Thailand. The bus terminal is about a 10 minute taxi ride from Mo Chit BTS Station.

The newly renovated Southern Bus Station is across the river in Thon Buri, servicing destinations to the South and West. The Southern Bus Station is best reached by taxi.

The Eastern Bus Station at the Ekkamai skytrain station services Pattaya, Koh Samet, Koh Chang and Eastern destinations.

Timetables need to be verified before you travel!
